### Description of Accommodation

Galloway Cottages is part of our Daisy Door Cottage Style Collection, beautifully located in the heart of Galloway, just a stone's throw from picturesque Wigtown Bay and surrounded by a 'hidden secret' landscape that boasts some of the finest scenery in Scotland. Perfectly complementing the breath-taking setting, these attractive, superbly renovated stone cottages offer light, airy, modern interiors that unite a unique charm with everything needed to create unforgettable holiday memories.

Galloway cannot fail to enchant with the raw beauty and unspoilt peace of its largely undiscovered sandy beaches, rocky coves, serene lochs, verdant hills and friendly villages, while stargazers enjoy a particular treat – nearby Galloway Forest Park hosts one of the world's few 'Dark Skies Parks'. Blessed by the Gulf Stream, this famously gentle climate also lends itself perfectly to magnificent gardens, world-class mountain biking, hiking, horse riding, golf, sailing, sea, river and loch fishing.
